

## Drama 12 Assignments

Students will complete 3 required assignments and 6 quizzes. The majority of the assignments revolve around the Actor's Workbook for a chosen character's monologue and the presentation of that monologue, both fully physicalized and naturalized. These are built upon throughout the various units of the course. All of the assignments have a detailed description of what is required and a detailed marking rubric, so students are clear about expectations. The course provides rich information which will support the student in completing the projects.
