

Dance Choreography 11 Assignments

Students will **complete 4 projects** which are related to the development and presentation of a **solo, duet or trio**. All of the projects have a detailed description of what is required and a detailed marking rubric, so students are clear about expectations. The course provides rich information which will support the student in completing the projects.

Not all of the units have projects, but it is important that students work through the lessons in each unit in order.
