

## Drama 11 Assignments

Students will complete 6 required assignments and 3 quizzes. The majority of the assignments revolve around the Etude process for a chosen character's monologue and the presentation of that monologue. These are built upon throughout the various units of the course. All of the assignments have a detailed description of what is required and a detailed marking rubric, so students are clear about expectations. The course provides rich information which will support the student in completing the projects.
